

# **Grade 12 Check List 2014**

*Good plans shape good decisions.*

## ***Priorities***

- ✓ Meet with guidance to ensure you are **on track to graduate** in regards to credits, literacy requirement and community service hours.
- ✓ Guidance will meet with you in October/November to provide you with an application package for college/university and/or to discuss other **post-secondary options**.

## ***Deadlines***

- ✓ University Applications, January 15<sup>th</sup>
- ✓ College Applications, February 1<sup>st</sup>

## ***Upcoming In-School Presentations***

*Sign up in the guidance office.*

- ✓ Cambrian College, September 15, period 3
- ✓ Laurentian University, September 17, period 2
- ✓ Canadore College, September 26, period 2
- ✓ Nipissing University, October 10, period 1
- ✓

## ***Out-of-School Presentations***

*See guidance & listen to announcements for more information on these evening/weekend presentations.*

- ✓ Ontario Universities' Fair, Toronto, September 19<sup>th</sup> – 21<sup>st</sup>
- ✓ C.I.P (College Information Program), Cambrian College, September 29<sup>th</sup>
- ✓ U.I.P. (University Information Program) in Sudbury, October 2<sup>nd</sup>

## ***Other Ideas***

- ✓ Organize a road trip to visit colleges or universities of interest (book a tour any time or go during open house....every school is different so do your research).
- ✓ Talk to Mr. Salvador regarding coop and/or apprenticeship opportunities (OYAP).
- ✓ Make an appointment with guidance as questions arise.
- ✓ Prepare a resume to help with scholarship/bursary applications; if you are asking teachers or other community members for a letter of reference, they will need this information.
- ✓ Listen to announcements and drop in to guidance regularly to find out about scholarship/bursary and community service opportunities.

***If you are planning a return to CVDCS next year in order to finish your diploma, or you are taking a gap year before college/university, it is still advisable to do some research on school/career options.***
